

Vote Rick Barry for the Board of Bicycle Victoria

Bicycle Victoria is a great organisation, and I believe we can make it even greater. BV's strength is in its membership and if I am elected I will work hard to make members' voices heard for the benefit of us all.

Families: I started cycling as a child, and now ride with my children (our family was profiled in the family issue of Ride On). I regularly ride to school with my children and am involved in a 'riding school bus' to get more kids cycling more often. If elected, I will make family issues a priority for Bicycle Victoria.

Cyclists: Bicycle Victoria is a very diverse group, but we are all cyclists. Many members lead different lives to mine and ride bikes for different reasons, but we *all* ride. If elected, I will listen to people's needs and provide a voice for everyone in BV.

Community: The promotion of cycling is essential for a healthy community: for healthy bodies, happy neighbourhoods and safer roads. For more than 15 years now, I've worked in the community sector (including supporting volunteers – BV's lifeblood) trying to improve the places where we live. If elected, I will be a strong voice for healthy communities.
